Re: Formal Approval of Form and Amount of Reclamation Surety, Northshore Limited Partnership,
Northshore Natural Processing Facility, M/003/037, Box Elder County, Utah

Dear Mr. Farley:

On April 24, 1996, the Board of Oil, Gas and Mining gave conditional approval of the form and amount (\$3,800) of reclamation surety for Northshore Limited Partnership's Northshore Natural Processing Facility. The conditional approval was based upon the Division receiving no adverse comments during the 30-day public comment period, which expired May 3, 1996. No adverse comments were received; therefore, the Division hereby grants final approval of this project and the reclamation surety, effective May 6, 1996. The reclamation surety is in the form of a Time Deposit issued by First Security Bank of Utah.

Enclosed please find copies of the fully signed and executed Reclamation Contract and Time Deposit certificate, and one of the three original Time Deposit letters for your files. We will forward a second original Time Deposit letter to First Security Bank for their files; the third original Time Deposit letter will remain in our files, along with the original Time Deposit certificate.

Thank you for your cooperation and patience in helping finalize this permitting action. Please call me should you have any questions in this regard.

Sincerely,

Lynn Kunzler
Reclamation Specialist
